Hydro +

PRODUCT DESCRIPTION

- Formulated to promote good root development during seeding or laying sod.
- Also used to correct deficiencies in phosphorus.

PRODUCT BENEFITS

- Phosphorus plays a leading role in the development of roots in the establishment of the plant.

PRODUCT CHARACTERISTICS

- Product Code:** R532973
- Product Type:** Lawn fertilizer for seeding
- Size:** Regular (SGN 225)
- Format:** 25 kg
- Density:** 1072 kg/m³ (67 lb/ft³)
- Coverage:** 16,530 ft² @ 3.3 lbs/1000 ft²
11,020 ft² @ 5 lbs/1000 ft²

GUARANTEED MINIMUM ANALYSIS

	%
Total Nitrogen (N)	10.00
10.0 Ammonia nitrogen	
Phosphoric Acid (P ₂ O ₅)	30.00
Soluble Potash (K ₂ O)	10.00

INGREDIENTS

Ammonium phosphate, muriate of potash.

APPLICAITON RATES

Bag kg (lb)	Application Rates kg/100 m ² (lb/1000 ft ²)	Nutrition supplied kg/100 m ² (lb/1000 ft ²)			Area treated m ² (ft ²)
		N	P ₂ O ₅	K ₂ O	
25 (55)	1.6 (3.3)	0.16 (0.33)	0.49 (1.00)	0.16 (0.33)	1,540 (16,530)
	2.4 (5.0)	0.24 (0.50)	0.73 (1.50)	0.24 (0.50)	1,020 (11,020)

DIRECTIONS FOR USE

- Read the entire label before use. Apply only as directed.
- Apply only to dry foliage.
- **IMPORTANT:** It is recommended to apply fertilizers in the early morning. Irrigate after application, especially during periods of high temperatures (28°C or above). Avoid applying fertilizer to drought-stressed turf. If turf is under drought stress, irrigate before fertilizer application.
- Irrigating after application will accelerate initial green-up and will aid in the movement of fertilizer granules into the turf canopy.
- Apply after mowing to prevent particle pick-up by mowing equipment. To further reduce particle pick, do not collect clippings for one mowing after application.

Format

25 kg

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin and eyes. Always use adequate means of protection. We recommend using shirts and pants with long sleeves, safety glasses and gloves propylene. Wash thoroughly after use.

Observe precautions on the label and read the MSDS before use. Avoid contaminating waterways and wells when cleaning equipment or when disposing of empty bags. Always follow federal, provincial or municipal if they are applicable.

FIRST AID: In case of contact, wash skin immediately with plenty of soap and water. Remove contaminated clothing. Wash clothing before reuse. In case of contact with eyes, rinse thoroughly with water and consult a physician if symptoms occur. **INGESTION:** If swallowed, drink 1-2 glasses of water. Call a physician or Poison Control Center immediately and follow their advice. Do not induce vomiting a person if it is unconscious.
