# Base Mix

### PRODUCT DESCRIPTION

- *Liquid fertilizer for lawn maintenance.*

### PRODUCT BENEFITS

- *Economical liquid formula for lawns.*

### PRODUCT CHARACTERISTICS

- Product Code:** L000014
- Product Type:** Liquid fertilizer for lawn
- Size:** liquid
- Format:** bulk
- Density:** 1.185 kg / L
- Colour:** green

### GUARANTEED MINIMUM ANALYSIS

	%
Total Nitrogen (N) .....	16.00
15.4% Urea Nitrogen	
0.6 Ammonia Nitrogen	
Phosphoric Acid assimilable (P <sub>2</sub> O <sub>5</sub> ) .....	2.00
Soluble Potash (K <sub>2</sub> O) .....	6.00

### INGREDIENTS

Urea, muriate of potash, ammonium polyphosphate.

## APPLICATION RATES

Application Rates L/100 m <sup>2</sup> (L/1000 ft <sup>2</sup> )	Nutrition fournie kg/100 m <sup>2</sup> (lb/1000 ft <sup>2</sup> )		
	N	P <sub>2</sub> O <sub>5</sub>	K <sub>2</sub> O
1.3	0.24 (0.50)	0.03 (0.06)	0.09 (0.18)
1.9	0.37 (0.75)	0.05 (0.09)	0.13 (0.27)
2.5	0.49 (1.0)	0.06 (0.13)	0.17 (0.36)

## DIRECTIONS FOR USE:

- Read the entire label before use. Apply only as directed.
- Apply only to dry foliage.
- **IMPORTANT:** It is recommended to apply fertilizers in the early morning. Irrigate after application, especially during periods of high temperatures (28°C or above). Avoid applying fertilizer to drought-stressed turf. If turf is under drought stress, irrigate before fertilizer application.
- Irrigating after application will accelerate initial green-up and will aid in the movement of fertilizer granules into the turf canopy.
- Apply after mowing to prevent particle pick-up by mowing equipment. To further reduce particle pick, do not collect clippings for one mowing after application.

Format

Bulk

## PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. The fertilizer may cause irritation of eyes, nose, throat and skin. In case of contact with eyes, rinse thoroughly with water and consult a physician if symptoms occur. Keep out of reach of animals.
